NEWS SHEET NUMBER 99 — May 1972

EDITORIAL

Southend Meeting, Saturday June 17

At Southend Bus Station, commencing at 1430. Mr. Peter Snell, our Southend Area Representative will be present, and the Secretary hopes also to be able to attend.

Format of News Sheet

The news content of this months news sheet has been reduced in order to enable us to include an Eastern National and Tillings Travel vehicle allocation. This is long overdue (the last one published was June 1970). We hope to clear the backlog of information next month.

Service Revisions

Correction to notes published last month:

24A This service will not be withdrawn, it will continue to operate between Leigh (Rail Station) and Thundersley (Woodmans Arms) only.

General

An open-topper (presumably 2383) was used for a victory tour of Chelmsford by the Chelmsford City F.C. to celebrate the club winning the Southern League championship.

Two Bristol FLF's were painted in the 'Stork Challenge' livery, the second vehicle was 2810(FWC 428B). Both have subsequently appeared on London Weekend T.V. in a commercial, the location of which was given as Eversley Walk, East Barnet. Eversley Walk was displayed on the destination screens.
