Corrections since June 2024 Fleet List

47462 has been shown against Urban 2 with white front. However, this bus failed on delivery and was never acquired.

Corrections since October 2024 Fleet List

67162 was burnt out in September 2024, so since then it should not have been listed against Essex Bus livery.

Corrections to previous 2025 editions

67197 received New First Corporate livery in December 2024 (correctly deleted from 'Park & Ride black', but not added to 'New (2024) First Corporate').

Correction to last month

From 'Shuttles, two shades of red' onwards, the liveries and the fleet numbers were one line out of sync.

Shuttles, two shades of red' should have been against 44171-8 and so on.

33981 was included twice, it should no longer have been included against Urban 2 with white front.

Below: Disposed of this Period was Enviro 200 44998 (KX57 BWF) which had latterly been used as a temporary bike store at Basildon Depot. It is seen on route 351 at Chelmsford Bus Station on 26th April 2018. and having just left Basildon Bus Station on 30 October 2019.
