Our livelihood depends on providing reliable and personal services with polite and helpful staff. If you are unhappy about any aspect of our services please call us to discuss the matter.

Thankyou

Dave Tomlin

How to read this Timetable

This timetable booklet is split into two sections. The first section provides comprehensive timetables. The second section provides an "at a glance" summary of some departure times.

Roll & Call

Our buses operate a "Roll & Call" service. This means that you can pick up or get off at any place where it is safe to do so.

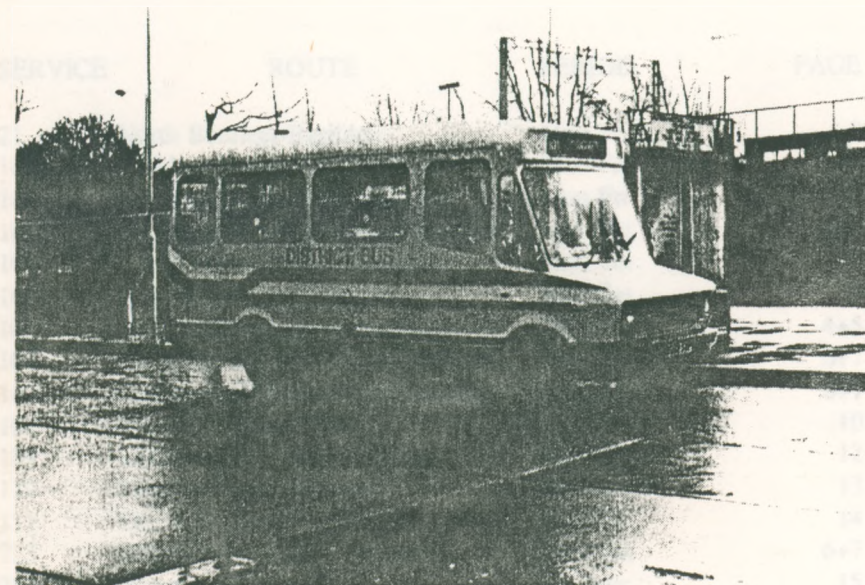

Please don't abuse the service. It is very easy to use but it is difficult to keep to time.

How to read this Timetable

This timetable booklet is split into two sections. The first section provides comprehensive timetables. The second section provides an "at a glance" summary of some departure times.

Hail & Ride

Our buses operate a "Hail & Ride" service. That is to say we will stop to pick up or to let you off at any place where it is safe to do so.

Please don't abuse the facility by expecting the driver to stop every few yards as it will make it difficult to keep to time.
